COLUMNS & CORBELS

Whether incorporated into stairwells, mantle surrounds or trimming doorway and window casings; columns, corbels, posts and pilasters are among the most classic of components in decorative architecture. Columns can be made full, half or 3/4 round. Pilasters are flat backed and come in a variety of sizes and widths. Corbels come in standard sizes but can be made to order if the size needed is not available. All art shown is digital and can therefore be modified to suit your requirements.

ROSETTES and

Carved decorative wood Rosettes and Corner Blocks are an easy and cost effective decorative wood accessory. They are often used to decorate window and door casework, cabinetry, range hoods and furniture. Rosettes can be applied to any flat surface and the corner blocks can replace mitered corners to save you time while adding decoration.

CUSTOM DESIGN

Heartwood can create custom components using your sketches, photos, or computer generated files. Alternatively, let one of our designers create unique carvings based on your inspirations. All our artwork is digital which allows us to resize, alter, or mix and match any of our catalog products to fit your need.

For restorations of grand staircases to simple rosettes, we are able to reproduce missing or damaged period carvings or create a new look inspired by a vintage piece. Call or use our online form for a custom quote.

HEARTWOOD CARVING STANDARD TERMS

All orders are processed as they are received. All parts are made to order or taken from stock. Lead times vary but typically 5-10 days till shipment on average. Shipping time is additional. Shipping is from Oregon. Oversized requests are shipped common carrier by quotation. Canada shipments are subject to the brokerage fees of the carrier used. Shipping charges are established through the web site or by quotations. Heartwood typically ships UPS/FedEx but will work with a client to meet any specific requests.

When ordering mouldings, please consider pattern repeats and miters when accounting for footage.

All parts are to be paid in advance of shipment unless otherwise agreed by Heartwood. Orders are typically remitted by credit card but Heartwood will accept payment by check. Orders paid by check are subject to a clearing hold. Returns are accepted with prior approval on standard parts provided they are in re-sell condition within 60 days of order shipment. Returns are subject to restocking fees of 25% of purchase price.

Heartwood Carving warrants that it will produce parts matching the quality of the craftsmanship displayed in the photos shown in this catalog and on the website. Parts will be cleaned and free of debris but may require additional sanding by the client as they deem necessary for finishing. Paint grade parts may be most any hardwood available in our shop. Stain grade is typically a neutral color species like beech or poplar. Other hardwoods listed (Alder, Cherry, Maple, Red Oak, African Mahogany, Walnut) for a given item are sourced from high quality Select stocks and chosen to be free of abnormal color, knots and sap. Any requests for particular wood species or grain are welcome. Dimensions provided are typically exact but may vary up to 1/8" depending on the part type. Please inquire. For parts requiring lamination of several layers of wood by glue, Heartwood warrants that parts will not delaminate under normal conditions of interior usage where they are free of excess moisture and heat. Heartwood is not responsible for changes in products that occur due to environmental conditions during or after installation. Warranty is valid for 1 year and limited to repair or replacement of parts.

All parts shown in this catalog are copyright Heartwood Carving, Inc. and no permissions are granted unless in writing from Heartwood.
